There Is a Time

- OPENER** Circle left. There is a time for us to wander
When time is young, and so are we
Men star right, go once around, now
Allemande left, and weave the ring.
There is a time for love and laughter
Swing that girl and promenade.
The winter winds will follow after
But there is love and love is warm.
- FIGURE** Heads [sides] square through and you get me four you go
Make a right hand star and roll it, go.
Same two to the center left hand star and roll it, there
Meet the corner, slide through and then
Square through, go three, to the corner lady
Swing that girl and you promenade
The winter winds will follow after
But there is love and love is warm.
- BREAK** So do your roamin' in the springtime
You'll find your love in the summer sun
Men star right, go once around, now
Left allemande the corner girl and weave the ring
There is a time for love and laughter
Swing that girl and promenade.
The winter winds will follow after
But there is love and love is warm.
- CLOSER** There is a time, when the leaves are fallin'
The woods are grey and paths are old
The men star right, go once around now
Left allemande the corner girl and weave the ring
There is a time for love and laughter
Swing that girl and promenade.
The winter winds will follow after
But there is love and love is warm.
