I've Just Seen a Face

OPENER

Sides face, Grand Square.

I've just seen a face, I can't forget the time or place where we just met*

She's just the girl for me, I want all the world to see we've met

Lie, lie, lie, lie, lie, lie.

Lie, lie, lie. Allemande Left and Weave the Ring.

Falling, yes I am falling

And she keeps calling, Swing the girl and Promenade

Falling, yes I am falling

And she keeps calling me back again.

FIGURE

Heads [sides] you Promenade half way, go moving 'round the ring

Walk in and Square Thru, it's four you do, go all the way around and then

Right and Left Thru and turn the girl, my friend.

Veer to the Left and Couples Circulate.

Half Tag, here's where you Scoot Back

That corner, Swing, now, and Promenade

Falling, yes I am falling

And she keeps calling me back again.

***ALT LYRICS**

Had it been another day, I might have looked the other way

And I'd have never been aware, but as it is I'll dream of her tonight.

I have never known the likes of this, I've been alone and I have

Missed things and kept out of sight, but other girls were never quite like
this.

TAG

Falling, yes I am falling

And she keeps calling me back again.
