## *I Am Not Over You*

### **Opener & Middle Break:**

Circle Left. I'm not over you; the storm still rages.  
Boys Star Right hand once around you go.  
Allemande Left that corner and Weave the ring.  
I'm slowly drowning. Swing and all Promenade.  
I'm going under 'cause I'm not over you.

### **Figure 1, 2, 3:**

Heads (Sides) Square Thru, go four now.  
Around the corner do a Dosado, Swing Thru, Boys Run.  
Bend the Line, Reverse Flutter, Dixie Style.  
Boys Cross Fold, Swing, and Promenade.  
I'm reminded of the closing of the door.

### **Figure 4:**

Sides Face, Grand Square.  
Tonight the rain that's falling,  
Only adds to my heartache.  
It runs quietly down my window,  
Like the tears upon... Sides Square Thru go four.  
And each time the lightning flashes.  
Swing and all Promenade.  
I'm reminded of the closing of the door.

### **Closer:**

Four Boys Promenade, go walkin' around the ring.  
Get back home Swing, swing your girl.  
All join your hands, Circle Left you go.  
Allemande your corner girl and Weave the ring.  
I'm slowly drowning.  
In a sea of endless heartbreak.  
I'm going under, 'cause I'm not over you.
