Rock Me Gently

OPENER Sides face, Grand Square. Ain't it good? Ain't it right?
That you are with me, here tonight?
The music playin', our bodies swayin' in time.
Circle left. Rock me gently, rock me slowly.
Allemande Left, Swing and Promenade, you know,
That I have never been loved like this before.

FIGURE Heads [sides] in, Square Thru four.
Touching you, so warm and tender*
Do Sa Do with a sweet surrender
Fan the Top, Right and Left Thru you know.
Flutterwheel across the ring.
Rock me gently. Boys Fold and Swing.
That lady there, you Promenade the ring.
'Cause I have never been loved like this before.

BREAK Four Ladies Chain.
Chain her back, get funky, and Circle to the left.
Allemande Left, and Weave the Ring.
Ain't it good? Ain't it right?
Swing your girl, Promenade tonight.
Good that you are here with me tonight.

CLOSER Sides face, Grand Square. Rock me gently, rock me slowly.
