The Girl in the Valley

Opener Circle left. Just across the mountains in a valley down below
Lived a girl I met back years ago
The boys star right, one time around you go
Allemande the corner, then Weave that ring
How she lives in my memory today, oh oh
Swing your girl and Promenade
And someday I hope she'll want to go
Back to the mountains and the valley down below

Figure Heads [sides] Box the Gnat, Pull her by, Separate
Around just one, make lines, up to the middle and back
Pass Thru, Tag the Line, all face in
Pass Thru, Tag the Line, face in again
Square Thru three hands, oh oh
Swing your corner, Promenade
And someday I hope she'll want to go
Back to the mountains and the valley down below

Break Circle left. One day she came to me and said I have to go
My family is moving, I thought you'd want to know
continue as in Opener

Closer Four ladies Promenade, walking around the ring
Come back home and Swing the lady around
All join hands and Circle left, you go
Allemande the corner girl and Weave the Ring
How she lives in my memory today
Oh, how I miss her warm and touching ways
And someday I hope she'll want to go
Back to the mountains and the valley down below

Tag Swing her. Mountains and the valley down below.
