Made In the Shade

OPENER, BREAK, CLOSER

Circle left. My friends all think I'm a fortunate man
Got a house and a barn and and some bottom land
Left Allemande the corner, come back you Do Sa Do
The men Star left, go once around, you know
Turn the partner by the right, then you go Left Allemande
Swing your lady, Promenade, go walkin' around the land
Before you start thinkin' I'm having' a ball
I've got it made in the shade if the tree don't fall.

FIGURE

Head [side] two couples Promenade, go half around the ring
Walk into the middle and Pass the Ocean, Extend the same
Swing Thru and then those Boys Run to the right
Bend the Line and a Right & Left Thru, turn the girl tonight
Flutterwheel, go movin', movin', around the ring you know
Slide Thru, Swing the Corner, Promenade and go
Before you start thinkin' I'm having' a ball
I've got it made in the shade if the tree don't fall.

TAG

I've got it made in the shade if the tree don't fall.
