Piano Roll Blues

OPENER:

Circle Left. I want to hear it again, I want to hear it again,
The old Piano Roll Blues.
Those Men Star Right, turn it one time tonight.
Allemande Left that Corner then you Weave that ol' Ring.
*Sittin' at the upright, my sweetie and me,
Swing that girl and Promenade.
**Pushin' on the pedals, makin' sweet harmony,
We cuddle closer it seems.

Break Lyrics:

*When I hear rinkity-tink and plinkity-plink,
**It's like a dream while we hug and kiss our cares all away.
The old Piano Roll Blues.

Closer Lyrics:

*The piano is playin' that razz-a-ma-tazz.
**Sittin' at the upright, my sweetie and me, we cuddle closer.

FIGURE:

Heads Square Thru, it's 4 hands you go.
To the corner girl Do Sa Do, you make that wave.
Swing Thru tonight, Boy Run Right.
Bend that Line, a Right and Left Thru and turn that girl you do.
Flutterwheel around, you Slide Thru.
You Swing that Corner, Promenade.
I want to hear it again, I want to hear it again.
The old Piano Roll Blues.

TAG:

(comes out of last line with a trombone "wah")
We cuddle closer...we cuddle closer it seems.
