## *Got Leavin' On Her Mind*

### **Opener / Middle Break / Closer**

Head Ladies Center, Teacup Chain.

The longer I know her, the more I can tell,  
My darling's not happy with me.

The longer I know that I know her too well,  
The less love in her eyes I see.

Four Boys Promenade once inside the ring.  
Swing your girl and Promenade.

If she don't hold and kiss me like she did one time,  
I think my sweet baby's got leavin' on her mind.

### **Figure**

Heads [sides] Square Thru, gonna get me 4 hands around.  
Get to the corner lady, Dosado.

Swing Thru two by two, Girls Fold, Peel the Top.  
Explode the Wave and Chase Right.

Boys Run Right and then,

Swing that corner lady, and then you Promenade.

If she don't hold and kiss me like she did one time,  
I think my baby's got leavin' on her mind.
