Little Mountain Church House

Opener Circle Left.
There's a little mountain church in my thoughts of yesterday,
Where friends and family gathered for the Lord.
Men Star by the right hand once around you go.
Allemande your corner and Weave.
Looking back now that little mountain church house,
Has become my life's corner stone. Swing and Promenade.
It was there in that little mountain church house,
I first heard the word I've based my life upon.

Figure Heads [sides] Square Thru, four hands around you go.
Meet the sides, Swing Thru and then, Boys Run Right.
Tag the Line for me, face Left and then, Girls Run.
Chain Down the Line and Square Thru, go three.
Swing that corner and Promenade.
It was there in that little mountain church house.
I first heard the word I've based my life upon.

Break Sides Face, Grand Square.
Dressed in all out Sunday best we sat on pews of solid oak.
And I remember how our voices filled the air.
How Mama sounded like an angel on those high soprano notes.
And when the roll is called up yonder, I'll be there.
Allemande and Weave.
Looking back now that little mountain church house,
Has become my life's corner stone.
It was there in that little mountain church house,
I first heard the word I've based my life upon.

Closer Circle Left.
At the all day Sunday singing and dinner on the ground,
Many were the souls that were revived.
Men star by the right hand once around you go.
Allemande your corner and Weave.
Looking back now that little mountain church house,
Has become my life's corner stone.
It was there in that little mountain church house,
I first heard the word I've based my life upon.

Tag I first heard the word I've based my life upon.
